NJ Sullivan
Innovative Manufacturing

IMS Policy

NJ Sullivan is committed to delivering the highest level of quality and service to our customers, while providing safe and healthy working conditions for our employees and any interested parties who may be affected by our activities. We recognize our responsibility to protect the environment, comply with all legal and other requirements, and continuously improve our processes.

We achieve these commitments by:

- Fulfilling Customer Expectations: Striving to exceed customer and stakeholder needs through innovative solutions and dedicated service.

- Promoting a Safe and Healthy Workplace: Identifying and mitigating hazards, reducing risks, and preventing work-related injury and ill health by actively involving and consulting our workforce.

- Protecting the Environment: Preventing pollution, minimizing waste, and complying with environmental obligations—both mandatory and voluntary.

- Continual Improvement: Setting measurable objectives for Quality, Occupational Health & Safety, and Environmental performance, monitoring our progress, and making data-driven adjustments to our processes.

- Employee Engagement and Development: Providing ongoing training, encouraging open communication, and ensuring everyone understands their role in upholding our IMS principles.

By integrating Quality, Occupational Health & Safety, and Environmental considerations into everything we do, NJ Sullivan fosters a culture of excellence, accountability, and respect—for our customers, our employees, and the environment.
